DDA 83-0025/1

11 January 1983

MEMORANDUM FOR: Director of Logistics
FROM: Harry E. Fitzwater
Deputy Director for Administration
SUBJECT: Component Moves

Dan,

In view of the extensive nature of all the forthcoming moves and the work load currently facing OL divisions, wouldn't it be advisable to form a task force to contend with this problem? The task force leader could still report to C/LSD or anyone else you desire. Over to you.

Harry E. Fitzwater
